A CANVAS FOR CHARITY
8-10 November 2018

Submissions by October 6, 2018

An open exhibition for established and aspiring artists, with all proceeds to *Amelie*, an organization creating support centres for cancer patients and their loved ones - to be held in the Capek Hall, Unitaria, Anenska 5, Prague.

If you wish to take part:

Buy a 30cm canvas (100Kcs donation covers cost of the canvas, hanging and private view evening) and produce your own work of art. You can use paint, watercolour, pencil, charcoal, collage, embroidery, sculpture - in fact any medium you wish, as long as we are able to hang the canvas normally. Entrants who return a completed piece of work will receive an invitation to the Private View and be the first to be able to buy a picture.

Every piece of work will be put on show anonymously during the three-day art exhibition and will be available for sale at 400Kcs each. All proceeds from the sales will go to *Amelie*.

Refreshments will be available on all days with proceeds also going to *Amelie*.
