European Unitarian Universalists

Terri Michos, EUU Social Action Chair

Dear Terri:

On behalf of the International Women's Convocation, I would like to thank you for EUU's generous contribution of \$1,653.00, representing a grant supporting the AWAKE violence prevention program in the Philippines. This generous donation will help expand the AWAKE seminars in UU communities in the Philippines.

The European Unitarian Universalists' commitment to helping the International Women's Convocation achieve its goals and mission of making tangible advances in the lives of women and girls worldwide is highly appreciated.

Thank you for helping us make a powerful difference in the lives of our Filipina sisters.

With kind regards,

A handwritten signature in black ink that reads "Addae Ama Kraba".
